"I never reply to the question, What is your favorite wine?

There is no such thing, or rather, there are so many, depending on my state of mind, on the place where I am, or whom I'm with. From this point of view, wine is like a piece of music, it is a piece of music. Thirst doesn't drive me to wine, pleasure does."

LONG SHADOWS PROJECT

For years Allen Shoup, widely regarded as a founding father of the Washington wine industry, had envisioned a joint venture with highly acclaimed winemakers from different regions of the world. His goal was to bring their expertise to Washington to create some of the most luxurious wines ever crafted from the region's fabled grapes. Wines that stood shoulder to shoulder with the World's best. "Build it and they will come." They did just that.

**WINNER OF
WINE SPECTATOR'S
AWARD FOR EXCELLENCE**

*"We hear of the conversion of water into wine at the marriage of Cana as of a miracle,
but this conversion is, through the goodness of God, made everyday before our eyes.*

*Behold the rain, which descends from heaven upon our vineyards,
and which incorporates itself with the grapes, to be changed into wine;
a constant proof that God loves us, and loves to see us happy."*
